#### About Glanua

Glanua is an industry leader in providing innovative and sustainable engineering solutions to design, build, operate and maintain critical water and wastewater infrastructure across Ireland and the UK. We are a trusted provider to the municipal and industrial sector where our clients include Ireland and the UK's largest water utilities, Uisce Éireann (formally Irish Water), Thames Water, Yorkshire Water and Affinity Water.

Glanua is passionate about solving today's environmental challenges and delivering a decarbonised and sustainable world. We know that to build successful creative teams we need a diverse workforce that can deliver new innovative ways of thinking. We provide an environment where you will have the freedom to develop and grow to your full potential. We champion our core values and uphold the highest standards of Safety and Well-being, Innovation, Integrity, Collaboration, Courage, Agility, Accountability, Diversity and Inclusion in everything we do.

We have a talented team of 550+ people across Ireland and the UK and are rapidly expanding our workforce across several disciplines to meet our ambitious growth plans.

At Glanua, we believe that people are the core of the business. We know that to build successful

creative teams we need a diverse workforce that can deliver new innovative ways of thinking. We

provide an environment where you will have the freedom to develop and grow to your full potential.

Glanua Limited is an equal opportunities employer.
