Refrigeration Systems Specialist

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are seeking a Refrigeration Systems Specialist to join our team. The successful candidate will be responsible for installing, maintaining, and repairing refrigeration and air conditioning systems in commercial and residential settings. Key responsibilities include the installation of units, diagnosing and repairing faults, conducting preventive and corrective maintenance, interpreting electrical and mechanical diagrams, and ensuring compliance with health and safety regulations. The ideal candidate will have a customer-focused approach and experience in recommending energy efficiency improvements.

Job Requirements:

Minimum of 3 years of practical experience in refrigeration and air conditioning.

Certificate in Refrigeration Technology or related fields.

Knowledge of temperature and humidity control systems.

Skills in electrical and mechanical work.

Annual Salary: €36.504

p.h €18

Hours per Week: 39 hours

Expected start date: 30/12/2024
