## Architectural Technician / Detailer

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Collins Boyd Engineers & Architects based in Roscommon Town offer a complete Architectural Design and Engineering Service for educational and commercial projects in Ireland. Due to an increased number of exciting projects are looking for a detail-oriented architectural technician with 5+ years post qualification experience in Ireland to join our team.

The ideal candidate will have skills in AutoCAD and other computer-aided design software programs, have experience working on a variety of project types, including residential, educational, industrial and commercial. They will be able to take a project from concept to completion, working closely with the architect and other members of the design team.

#### Key Responsibilities:

- Prepare sketches, schematics, conceptual drawings, fully detailed construction drawings, in various architectural media
- Convert architect's concept into architectural drawings, using computer-assisted drafting and design software
- Work with architects and other engineering professionals to achieve design goals
- Verify dimensions, scale, space relationships, and material quantities
- Manage project schedules and ensure timely delivery of product
- Coordinate with vendors and suppliers
- Work with other team members to complete tasks and meet deadlines

#### Requirements And Skills:

- Bachelor's degree in a related field or 5+ years of experience in architectural drafting
- 5+ years of experience with AutoCAD and Revit
- Capability to produce accurate floor plans, elevations, section layouts, and details.
- Proficiency in AutoCAD and Revit
- In-depth knowledge of building design, specifications, codes and structural analysis.
- Driving licence and own car is essential.
- Must be currently in Ireland, eligible to work and able to take up a full-time position in the

coming weeks.

Other Details:

- Annual Remuneration - €35K
- Location of Employment – Collins Boyd Office, Galway Road, Roscommon, F42 V344
- Hours of Work – Monday to Friday 8.30am – 5pm
- **Sector:** professional, scientific and technical activities

**Career Level**

- Experienced [Non-Managerial]
