Job Description

Derry White Agricultural Contractors is a growing company in the agricultural sector, specialising in the distribution of high-quality feed. We are seeking a skilled professional to join our team and oversee logistics operations at our port facility. We are looking for a Warehouse Supervisor to lead cargo handling and stock management operations at the port. The successful candidate will be responsible for supervising teams, operating specialised machinery, and ensuring the efficiency and safety of all operations.

Key Responsibilities:

- Supervise and train the team of operators, ensuring compliance with safety standards.
- Operate specialised machinery, such as forklifts and port cranes, for cargo handling.
- Manage stock control, accurately recording incoming and outgoing goods.
- Coordinate with other departments to optimise logistics operations.
- Conduct regular inspections to ensure compliance with quality and port safety standards.

Experience: Minimum of 2 years in supervising logistics or port operations.

Valid certification for operating forklifts and/or port cranes.

Knowledge of stock control systems and warehouse management.

Excellent leadership, communication skills, and ability to work under pressure.

Work hours: 39h per week

Salary: €34,000.00 per annum

Location: Deepwater Berth, Ringaskiddy, Co. Cork
