## Auto Mechanic/Auto Electrician/Fuel Injector reconditioning

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Experienced Automotive Mechanic with Automotive Electrical skills required.

We have an exciting opportunity for a hard working individual with both Master Auto Mechanic and Master Auto Electrical qualifications. Ability to recondition Fuel Injectors also beneficial.

Duties/Responsibilities:

- 1) Diagnose and repair a wide range of vehicle issues, including engine, transmission, brakes, suspension, and ability to diagnose and repair electrical systems essential.
- 2) Perform routine maintenance services such as oil changes, tyre rotations, and fluid top-ups.
- 3) Ability to recondition Fuel Injectors
- 4) Provide accurate and detailed estimates to customers.
- 5) Maintain a clean and organized work area.
- 6) Strong understanding of automotive systems and components.
- 7) Excellent problem-solving skills and attention to detail.

Qualifications:

- 1) Proven experience as an automotive mechanic.
- 2) Proven experience as an automotive electrical mechanic.
- 3) Valid driver's license.
- 4) Excellent communication and customer service skills, including good command of the English language
- 5) Strong problem-solving and analytical abilities.
- 6) Ability to work to deadlines while ensuring highest levels of workmanship.

Benefits:

- 1) Competitive salary listed below but commensurate with experience,
- 2) Opportunities for professional development.

Please apply via this portal for this position.
