Diesel Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Due to continued expansion, HML Plant Hire and Construction is looking to employ Diesel Mechanics to join our team in Ireland. Based out of our Buncrana, Co. Donegal yard, F93 FPK1.

This is a permanent, full time position.

39 hrs/week

€38,000 per annum

Duties include (but are not limited to):

Visual checks, test drives or use test equipment to diagnose engine and mechanical faults

Remove, dismantle, repair and replace defective parts

Prepares new parts using appropriate tools

Carries out routine maintenance checks on oil and air filters, brakes, and other vehicle parts/systems

Diagnoses faults in electrical/electronic circuitry systems and carries out service tasks

Installs additional electrical amenities such as radio/CD players, aerials

Repairs and services air conditioning, heating and engine-cooling systems

The ideal candidate must have:

Diesel experience is an essential requirement for this role

Fluent English

The above is not an exhaustive list of duties and you will be requested to perform different tasks as necessitated by your changing role within the organization and overall business objectives of the organisation.
