Electrician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Apollo Electrical Limited is seeking skilled electricians to join our team.

Duties will include:

Reading and interpreting drawings, specifications, and wiring diagrams to plan work.

Selecting, cutting, and connecting wires to sockets, plugs, or terminals using methods like crimping, soldering, or bolting.

Installing electrical conduits, cutting, and bending as required.

Assembling parts and sub-assemblies using hand tools and methods such as brazing, riveting, or welding.

Installing electrical plant, machinery, and fixtures, including fuse boxes, generators, and light sockets.

Inspecting and testing electrical systems, identifying faults, and replacing faulty wiring or parts as needed.

Expected work hours: No less than 39 per week

Requirements:

The ideal candidate will have a minimum of 24 months of experience in a similar environment.

Practical knowledge of electrical systems and installations is essential.

Good eyesight and normal color vision are required.

Safe Pass Card and Manual Handling must to be valid.

To apply, please send a email to Renata Torres at renata@apollogroup.ie.
