Landscape Construction/Maintenance foreperson

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Would you like to build a long term, secure career in landscape establishment and maintenance with training, career planning and the option to progress into other areas of landscape creation?

Who we're looking for

We're looking for an experienced and driven landscape professional to construct and maintain a range of new and existing commercially landscaped environments. The right candidate will have at least one year's experience in this or a similar role. They will be able to provide a minimum of one recent professional reference.

Key duties and responsibilities

The position is for a landscape construction and maintenance foreperson overseeing various projects and sites. Among the key responsibilities are planning, organising, allocating resources, health and safety activities, training, QA, machine operation and physical tasks as required.

Job location

Dublin

What you'll need

To have a minimum of two years experience working as a landscape construction or maintenance foreperson.

To have an in-depth knowledge of landscape construction and maintenance tasks, tools and associated machines and equipment.

To have excellent communication skills.

To have the ability to assess, price, and schedule maintenance activities.

To have a full clean driving license.

To have a proven track record in the sector.

To have an interest in CPD, training and career development.

What are the career opportunities?

We're committed to providing career opportunities to those willing to step up, show initiative and put in the work to get ahead. We provide training, support and career advancements to all successful employees.
