General Operative

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

About Us

We are a leading glass processing company based in Nenagh, Co. Tipperary, supplying high-quality glass products to clients across Ireland and beyond. Due to continued growth and demand, we are currently seeking reliable and motivated General Operatives to join our production team.

Role Overview

As a General Operative, you will be responsible for supporting the production process, ensuring products are manufactured to a high standard, and maintaining a clean and safe working environment.

Key Responsibilities

Operate machinery and equipment used in glass cutting, polishing, and handling

Load/unload glass sheets and finished products safely

Inspect products for quality and report any defects

Follow all health and safety guidelines and procedures

Assist with general housekeeping and maintenance tasks

Work as part of a team to meet production targets

Requirements

Previous experience in a manufacturing or production environment is an advantage, but not essential

Good physical fitness – ability to lift and handle glass materials safely

Strong attention to detail and a commitment to quality

Ability to work as part of a team and follow instructions

Flexibility to work shifts/overtime as required

Positive attitude and willingness to learn

- This vacancy is suitable for Remote/Blended working
- **Sector:** manufacturing
