## Construction - Quantity Surveyor - Senior Position

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

The main duties and responsibilities of the Senior Quantity Surveyor are outlined as follows:

Work as part of a team in the commercial oversight of multiple programmes and projects, embracing the ethos of a "one team" culture.

Respect, adhere and enhance Health, Safety, Environmental & Sustainability standards.

Work closely with all key stakeholders including clients, client representatives and third-party agencies.

Ensure our values of integrity, collaboration, courage, agility and accountability are upheld in day-to-day operations and interactions with our clients.

Development and implementation of project-specific commercial/contract strategies.

Assist in the cost build-up and forecasting for projects.

Support the delivery team in the appointment of key packages including final negotiations and supplier/sub-contract agreements.

Compile monthly payment applications and submit to the Client as per Contract Requirements.

Ensure healthy cash position on contracts is maintained.
