Job Description

We are a young and dynamic company that designs, manufactures and supplies beautiful eco-friendly activewear products to our customers all over the world. We take a whole new and exciting approach to sourcing sustainable materials, designing our products, engaging with the market and managing our supply chain.

OceanR was founded in Cork, Ireland in 2016 by three friends looking to create the world's first eco-friendly rash vest for the water sports and leisure sectors. The market response has been amazing and has allowed us to develop over 100 products to date and partner with some of the most prestigious resorts and exclusive customers around the world.

Our Purpose

Together with our brand partners, we aim to positively influence our impact on the planet and have fun doing it.

Our Values

We strive to create a dynamic and friendly environment with sustainability at its core. All OceanR team members will benefit from ongoing support and guidance to help us live our values every day and be: Innovative - Sustainable - Energetic - Transparent - Creative

Our Market

We focus our marketing and selling efforts in the global leisure and sporting markets supplying custom-made, sustainable products to our Brand Partners in the following sectors:

Luxury Resorts

Luxury private yachts

Private Islands

Water sports clubs and centres

Non for profit organisations.

Sporting events

Role Description:

Participant will be assisting and learning in part of the design process, which will include accurate preparation of product specifications, design development and other activities that support the creative process.

You will assist with providing design proposals for our sales team to sell to our customers which they present online. You will be assisting with graphic designing clothing and accessories which will be requested by a briefing document from the sales team which will include explanations of what the customer is looking for including brand guidelines and logos.

Role Description

This is a training and work experience opportunity; no prior experience in this role is necessary. Accredited and/or sector recognised training will be provided to support your placement. Participants are eligible to participate in the WPEP QQI Work Experience Module which was developed by the Education & Training Boards in collaboration with the Department of Social Protection. This optional module will fulfil your accredited training requirements for the WPEP.

The participant will receive formal/informal training and mentoring in the following:

Informal:

Graphic design elements for product development and design

Product specifications

Graphic designing clothing and accessories

Formal

WPEP QQI Work Experience Module

Graphic Design computer software

Any training needs identified will be supported.
