Welder

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Resolute Engineering Group Limited is currently seeking a skilled and dedicated Welder to join our growing team. This is an exciting opportunity for a motivated professional to contribute to a dynamic engineering company known for its commitment to high-quality workmanship and technical excellence. The ideal candidate will have experience in MIG, TIG, or arc welding, the ability to read and interpret technical drawings, and a strong understanding of safety protocols in a manufacturing or construction environment. Responsibilities include assembling and welding components to specifications, inspecting finished work for quality assurance, and maintaining welding equipment. Applicants must be reliable, detail-oriented, and able to work independently as well as part of a team. Previous experience in structural or industrial welding is highly desirable. This full-time position offers competitive pay and opportunities for career development within a supportive and professional work environment. If you are a qualified welder looking to join a forward-thinking engineering firm, we invite you to apply and become part of the Resolute Engineering team.

Location of Employment: 1A Moyne Road, Baldoy, Dublin, D13YV4X, Ireland

Salary: €34000 per year, 39 hour per week, €16.77 per hour
