Computer Networking Associate Apprenticeship

Job Description

****Please Apply For This Programme Directly On The Fit Website LinkedIn Below****

The Computer Networking Associate Apprenticeship is a two-year programme designed for those who

have recently completed second-level education or learners seeking to retrain. It is a dual-education programme involving both college-based and workplace learning. This college-based learning is state funded and apprentices receive a salary from their employer while on the programme.

Successful completion of all modules on this programme results in the attainment of a Quality and Qualifications Ireland-accredited Advanced Certificate in Computer Networking, which is placed at Level Six on the National Framework of Qualifications.

Minimum candidate entry requirements are as follows. A successful candidate:

- Must be 18 years or older;
- Will be required to complete an initial aptitude test;
- Must have achieved a passing grade (or O6/H7) in 5 or more subjects, including Mathematics and English (both at Ordinary Level or above), in the Irish Leaving Certificate;
- Must be eligible to participate in Further Education and Training programmes; and
- Must be entitled to study and work in Ireland.
