Auto Electrician

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Commercial Diesel and Electrical Limited is currently seeking to employ a qualified Auto Electrician to join our team. The successful candidates will be responsible for the installation, maintenance, and repair of electrical and electronic systems in various motor vehicles, with a focus on safety, compliance, and quality workmanship.

Main Duties:

- Diagnose electrical faults in vehicles using testing equipment
- Remove, repair, and replace defective electrical components and wiring
- Conduct routine maintenance and inspections on vehicle electrical systems
- Install additional electronic features such as communication and entertainment systems
- Ensure compliance with relevant health, safety, and industry standards
- Maintain a safe, clean, and organized working environment
- Work independently and manage time effectively

Requirements:

- Minimum 2 years of experience in a similar role and knowledge of vehicle electrical systems
- Ability to work independently with minimal supervision
- Understanding of health and safety protocols
- Relevant training or apprenticeship experience is desirable

How to Apply:

Please send your CV to Joanne at accdept.cde@gmail.com

- **Sector:** wholesale and retail trade; repair of motor vehicles and motorcycles

Career Level

- Experienced [Non-Managerial]
