Operational excellence begins with you.

At Sodexo, we're passionate about our people. We know that our teams are the key to delivering exceptional service and creating quality experiences for our clients, customers, and employees.

Build a name with big-name businesses.

As a Plumber with Sodexo, you'll enhance the services of our vibrant corporate site, offering a helping hand to ensure flawless facilities operations and keep things running smoothly.

What you'll do:

Install, repair, and maintain plumbing systems, including pipes, fixtures, and fittings to ensure safe and reliable service.

Be a friendly face, assisting employees and site personnel with warmth and professionalism during plumbing-related work.

Respond promptly to plumbing-related service requests from clients and colleagues, including emergency repairs.

Maintain a tidy and safe working environment across the site, ensuring compliance with all Health & Safety regulations.

Read and interpret blueprints, specifications, and drawings to carry out plumbing installations accurately.

Perform routine inspections to identify and proactively address any plumbing or drainage system issues.

Maintain records of all work performed and materials used for transparency and efficiency.

What you'll bring:

Previous experience in plumbing installation, maintenance, and diagnostics in a commercial or corporate environment.

Strong problem-solving skills and a keen eye for detail.

The ability to communicate clearly with clients and internal teams to explain issues and solutions.

A positive, proactive attitude and a collaborative approach to work.

The flexibility to respond to on-call work and emergency repairs when needed.

Knowledge of and adherence to current plumbing codes, safety standards, and best practices.

Comfort working in confined spaces and at heights, as required.
