## HGV Mechanic

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Company: Virginia International is in an exciting period of sustained growth. We recently extended our warehouse and are expanding our large, top-of-the-range fleet of modern tractor units, which includes Scania, Renault, DAF, and Volvo. All are 100% Euro-compliant and part of our 3-to-5-year replacement program. As the company grows, so does our fleet, allowing us to meet the demands of our extensive customer base across Ireland, the UK, and mainland Europe.

Location: Maghera, Virginia, Co. Cavan

Contract: Full-time, Permanent (following successful completion of 6mth probationary period)

Salary: Commensurate with experience

Are you a skilled and experienced HGV mechanic looking for an exciting new opportunity? We want you to join our team!

### Duties & Responsibilities:

- Perform routine maintenance and repairs on various heavy goods vehicles, i.e. CVRT preparation, diagnostics, and repairs to a fleet of trucks and trailers.
- Conduct examinations to diagnose faults and carry out the necessary repairs efficiently.
- Respond to daily checks as drivers report, identifying routine and non-routine defects while working to high standards per technical standards.
- Work closely with the transport team, informing them of progress, to ensure vehicles are available to service planned collections for the end customer.
- Comply with Health, Safety and Environmental legislation in line with company, RSA and other governing bodies guidelines to ensure all work is completed to the highest safety and quality standards
- Assist with the mentoring and coaching of other team members such as technicians and apprenticeships.
- Co-operate fully with all provisions taken by the company to ensure the health, safety, and Welfare of co-employees and members of the public.

#### Personal Specification

- Experience in Renault, Volvo and Scania preferable
  - Excellent diagnostic and problem-solving abilities.
  - Strong attention to detail and commitment to quality workmanship.
  - Ability to work independently and as part of a team
  - Self-motivated with a strong work ethic and ability to prioritise workload.
  - Eagerness to learn and share knowledge and wiliness to teach apprenticeship.
  - Flexible with drive to meeting work deadlines while remaining calm and focused.
- 
- **Sector:** transportation and storage

#### Career Level

- Experienced [Non-Managerial]
