## Fire & Security Technicians

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

We are currently recruiting both Fire and Security Technicians for full time roles working nationwide as part of our Nationwide Framework contract with Iarnród Éireann Irish Rail Fire and Security Division. This role involves travel across multiple provinces, ensuring the maintenance and servicing of fire and security systems across various sites.

#### What We Offer:

A company vehicle, fuel card, company phone, and tablet, along with all necessary PPE.

A comprehensive three-month training and onboarding program to equip you with the skills and knowledge needed for success within our Fire and Security team.

A structured nationwide work schedule, ensuring a consistent and organised workload.

#### Key Responsibilities:

Conducting routine maintenance, testing, and repair work on fire and security systems at multiple sites nationwide.

Each assigned site must be visited four times per year (every 12 weeks).

A typical workweek will consist of three days of testing and two days of repair work.

Following a pre-planned schedule provided by the Fire and Security office.

#### Requirements:

National Craft Certificate in a relevant field or relevant experience

Ability to work independently and manage time effectively.

Strong customer focus and commitment to quality.

Full driving license (required due to nationwide travel).

- **Sector:** other service activities
