In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We here at Brian Noone Limited have a vacancy for an experienced qualified Technician in our Aftersales Department. The successful candidate will have to demonstrate either a proven mechanical background or a strong electrical diagnostic ability with a proven track record in these areas. The vehicles we deal in are primarily the 5.5T Mercedes, the 7.2T Iveco and the 12T DAF.

You will be required to work in a busy and at times a pressured environment alongside existing staff. You will be required to be computer literate and possess the ability to operate the various diagnostic tools. The majority of the vehicles you will work on will be brand new in a pre-sale environment however there will also be the routine mechanical maintenance which we carry out for our customers.

Hours: -

The main working hours for this role are 08:30 to 17:00 Monday to Friday

Candidates must have the following attributes:

You must be a qualified technician.

You must have worked in a commercial workshop with a minimum of three years' experience.

A proven track record in electrical diagnostics.

You must be computer literate.

Displays a high level of enthusiasm and self-motivation.

Have an excellent time and attendance record.

Be able to converse in English

Desirable criteria:

Previous experience working for a distributor car or commercial vehicle business.

Experience of using the DAVIE, EASY or XENTRY diagnostic equipment.

Hold a current valid commercial vehicle or bus licence.

Successful applicants must be flexible with regard to working hours

Notice will be provided if any variation to working hours is required.
