## Sales Apprenticeship

### Job Description

#### Key Responsibilities:

**Sales Support:** Assist the sales team with daily tasks, such as data entry, lead generation, and customer follow-up.

**Product Knowledge:** Learn about our products or services, including features, benefits, and applications.

**Sales Techniques:** Develop sales skills and techniques through training and coaching, with the goal of becoming a confident and effective sales professional.

**Customer Interaction:** Interact with customers, respond to inquiries, and provide solutions to meet their needs.

**Sales Activities:** Participate in sales activities, such as meetings, calls, and presentations, under the guidance of experienced sales professionals.

#### Key Requirements:

**Education:** Currently enrolled in a relevant education program or willing to pursue one.

**Skills:** Strong communication, interpersonal, and problem-solving skills.

**Motivation:** High level of motivation and enthusiasm for sales and customer interaction.

**Availability:** Availability to work in a fast-paced environment and adapt to changing priorities.

For more information please see [apprenticeship.ie](http://apprenticeship.ie)

**Note:** As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.

- **Sector:** administrative and support service activities
