Machine Mechanic

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Croom Concrete Limited are seeking an experienced Machine Mechanic with a minimum of 2 years experience to join our team. The successful candidate will be responsible for the maintenance, troubleshooting and repair of machinery used in the production of concrete products. This includes diagnosing mechanical, hydraulic and electrical problems, performing routine maintenance and ensuring that all equipment is operating efficiently and safely. The ideal candidate will have experience with heavy machinery and a proactive approach to minimizing downtime. This role is key to supporting Croom Concrete's commitment to delivering high quality solutions across the commercial, civil, agricultural and sports sectors. Croom Concrete's services range from commercial and infrastructure projects to specialist agricultural and sports facility construction requirements. Our commitment is to provide solid and durable solutions, adapted to the requirements of each sector.

Location of Employment: Croom Concrete, Ploughlands, Croom, Limerick - V35D710

Salary: €34,000 per year for 39 hours per week, €16,77 per hour.
