## Bricklayer

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

We are seeking a skilled Bricklayer to join our construction team. The successful candidate will be responsible for laying bricks, blocks, and other masonry materials to construct walls, foundations, and other structures according to blueprints and specifications.

Lay bricks, concrete blocks, and stone to build walls, foundations, and other structures

Read and interpret blueprints, drawings, and specifications

Mix mortar and prepare construction materials

Ensure structures are level, plumb, and square using measuring tools

Cut and shape blocks and bricks to fit specific requirements

Maintain clean and safe work environment

Collaborate with other trades and construction team members

Inspect completed work for quality and compliance with standards

### Required Experience & Qualifications:

Minimum 2-3 years of experience in bricklaying or masonry work

Ability to read construction plans and blueprints

Proficient use of hand and power tools (trowels, levels, measuring tools)

Physical fitness and ability to lift heavy materials (up to 50 lbs)

Knowledge of building codes and safety regulations

- **Sector:** construction

### Career Level

- Experienced [Non-Managerial]
