MEICA Project Manager - Construction

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

The main duties and responsibilities of the MEICA Project Manager are outlined as follows:

Work as part of a team in the delivery of one or more projects at any one time, embracing the ethos of a "one team" culture.

Ensure Health, Safety, Environmental & Sustainability standards, policies and procedures are always adhered to on-site.

Instil a positive Health and Safety culture within the team in their thinking and actions.

Work closely and collaborate with all key stakeholders including clients, client representatives and third-party agencies.

Ensure a positive experience for the client and their representatives instilling an ethos of collaboration and cooperation.

Lead and co-ordinate the multi-discipline civil, MEICA and process team in the delivery of the project on-time, on-budget and to the highest quality standards.

Facilitate the co-ordination role of the PSDP for live projects with internal and external designers.

Represent the company as PSCS on live sites within your remit.
