Eplus is a registered charity dedicated to providing comprehensive support to children and families across Ireland. We offer a wide range of tailored services to address unique challenges, ensuring every individual receives the care and guidance they need to thrive within their communities.

We are now seeking a number of Social Care Workers to cover both full-time and part-time hours in various areas across the country. Our Social Care Workers work in many different ways to support children, young people, vulnerable adults and their families/caregivers including one-to-one supports, supervised access, school transports, and social/recreational activities. We also assist young adults transitioning from care to living independently.

These roles are flexible, fully-remote, and will involve travel to various locations to work with service users for which mileage will be reimbursed at civil service rates.

Applicants must hold a minimum Level 7 qualification in Social Care or equivalent and be registered

or be eligible for registration with CORU on the Social Care Worker Register. Applicants must also hold a full, clean driving licence and have use of a car for business purposes. Successful applicants must have the legal right to work in Ireland as regrettably we cannot sponsor visas/work permits.

Eplus offers a competitive hourly rate of pay, ongoing support and supervision, training and development opportunities and a diverse, welcoming team.
