Pipe Fitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Pipe Fitters install pipe systems and maintain and repair pipes in major utilities, industrial and construction settings and sites.

Tasks required by this job include:

- examines drawings and specifications to determine layout of piping;
- measures and cuts required lengths of copper, lead, steel, iron, aluminium or plastic piping using hand or machine tools;
- installs pipes for heating, ventilating, fire prevention, water and similar systems in industrial and construction settings, including oil rigs and terminals, sewerage systems and other mains networks;
- fits piping into position and joins sections by welding, soldering, cementing, fusing, screwing or by other methods;
- tests pipe work for leaks and makes necessary adjustments.

- **Sector:** construction
