Qualified Electrician - Bray Area

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We're hiring qualified electricians on our industrial team. Applicants will predominantly be based between Bray and Ashford Co Wicklow.

What You'll Do:

Install, maintain, and repair residential, commercial & industrial electrical systems

Read and interpret blueprints, schematics, and wiring diagrams

Troubleshoot electrical issues and recommend safe, code-compliant solutions

Collaborate with project managers, other trades, and clients to deliver top-quality work

Adhere strictly to safety protocols and local/national electrical codes

Work will predominantly be in the South Dublin and Wicklow areas

Must-Have Skills & Qualifications:

1. Qualified Electrician:

- o Valid electrician's license or certification

- o Industrial experience - pharma a bonus.

- o Strong knowledge of the Irish National Wiring Rules (ET101) & Health & Safety regulations

- o Ability to travel to site independently each day

- o Ability to work at heights, in confined spaces, and lift up to 25 kg safely

- o Excellent problem-solving skills and attention to detail
 - o Strong communication and teamwork mindset
 - o Safe Pass
-

Why Work With Us?

- Competitive salaries
 - Ongoing training & certification sponsorship
 - Supportive, close-knit team environment
 - Opportunity for career progression and leadership roles
-
