## First Year Apprenticeship - Air Conditioning & Refrigeration - Apprenticeship

### Job Description

Refrigeration & Air Conditioning Company in Blanchardstown.

Duties will include: assisting a qualified craftsperson in the installation, maintenance and repair of refrigeration and air conditioning equipment. The apprenticeship is administered in conjunction with SOLAS and offers an excellent opportunity to develop a unique set of skills. The successful applicant must be eligible to study for an apprenticeship as per criteria stipulated by SOLAS. Please send CV to [mmolloy@techrefrigeration.com](mailto:mmolloy@techrefrigeration.com)

For more information please see [apprenticeship.ie](http://apprenticeship.ie)

**Note:** As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.
