PVC Roofing Skilled Installer

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Vertex Roofing Systems are seeking 10 experienced PVC roofing installers to join active projects based in Galway, West of Ireland. Applicants must have a minimum of 3 years' experience in PVC membrane welding and be able to demonstrate a high level of skill and competence in executing complex weld patterns on detailed roofing works. Candidates will also need to be experienced in flat roofing systems and also be able to install roof cladding on commercial and industrial buildings. The successful candidate will become part of a close-knit, growing team, so strong teamwork and the ability to support and encourage colleagues are essential. Candidates should be self-motivated, proactive, and eager to contribute within a fast-paced organisation and working environment.

Annual remuneration is €35000 per year and the location of the employment will be based out of Hanley Buildings, Gortadooey, Claregalway, Galway, Co. Galway, H91KWY4

Hours to be worked will be 39 hours per week.
