Job Description

Job Title: Electrical Maintenance Technician

Location: Clitheroe, BB7 4QB

Salary: £41,000-£43,000 depending on experience

Job Type: Full-Time, Permanent, 40 hours perweek

About the Role:

We are seeking a highly skilled and motivated Electrical Maintenance Engineer to join our on-site facilities team in Clitheroe, BB7 4QB. In this role, you will be responsible for carrying out planned and reactive maintenance across a range of building services systems, ensuring full compliance with statutory and client requirements.

Key Responsibilities:

Perform routine and reactive multi-disciplinary maintenance across electrical, air conditioning, and building fabric systems

Work on planned preventive maintenance (PPMs) and reactive maintenance tasks using our Sodexo Maximo system

Diagnose and repair faults in building services equipment

Conduct compliance checks, including emergency lighting, fire alarms, and water temperature testing

Manage minor new works and like-for-like replacements

Respond to emergency callouts and support the site out of hours if required

Supervise sub-contractors and ensure work is delivered safely and to specification

Maintain accurate records of work completed and materials used

Promote and adhere to health, safety, and environmental practices

Requirements:

NVQ Level 3 in Building Services or equivalent

Recognised apprenticeship completed

18th Edition Wiring Regulations qualification

Full UK driving licence

Practical experience in a facilities maintenance or engineering role

Knowledge of safe systems of work and health and safety standards

Proficient with Microsoft Office and CMMS systems

Strong communication skills and ability to work independently or as part of a team

Desirable Qualifications:

Air Conditioning qualification (e.g., C&G 2079 FGAS)

IPAF certification

Legionella awareness

Why Join Us:

As part of the Sodexo team, you'll benefit from a professional, collaborative environment where your skills and initiative are valued. In addition to career development and structured training, the site also offers:

Free on-site parking

Changing rooms, lockers, and showers

Complimentary hot and cold beverages

- **Sector:** electricity, gas, steam and air conditioning supply

Career Level

- Experienced [Non-Managerial]
