In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Job Title: Electric Bicycle Mechanic

Company Name: Street Wheel Limited

Location: 115 Ashington Rise, Dublin, Dublin 7, D07 H0X6, Ireland

Job Description:

Street Wheel Limited is seeking a skilled Electric Bicycle Mechanic to join our team. This position involves both mechanical and electrical work, focusing on the maintenance, diagnostics, and repair of electric bicycles. The successful candidate will ensure all vehicles are serviced to the highest standard, contributing to the growth of sustainable transport in Ireland.

Key Responsibilities:

Diagnose, repair, and maintain electric bicycle systems, including motors, controllers, and lithium-ion batteries.

Perform mechanical servicing on braking, transmission, and suspension systems.

Calibrate and update controller and display software.

Assemble and configure new electric bicycles to manufacturer specifications.

Maintain accurate service records and technical reports.

Follow all safety procedures when handling electrical components and hazardous materials.

Support stock control and inventory management for e-bike components

Job Requirements:

Minimum of 1-2 years' relevant experience (experience with e-bikes, e-scooters, or light electric vehicles preferred) is desirable.

Skills in electrical and mechanical diagnostics.

Proficiency in reading technical diagrams and manufacturer manuals.

Ability to use hand tools and electrical testing equipment safely and effectively.

Annual Salary: €34.000

p.h: €16.77

Hours per Week: 39h

Start date: 27/10/25
