Job Description

We are seeking an Experienced Tiler with at least 10 years of proven experience in professional tiling. The role involves working on both residential and commercial projects, delivering precision and quality finishes.

Key Responsibilities:

Measuring and cutting tiles to exact specifications.

Preparing surfaces (cleaning, leveling, applying adhesives).

Installing a wide range of tiles (ceramic, porcelain, marble, stone, mosaic).

Grouting, sealing, and polishing finished surfaces.

Reading and interpreting technical drawings.

Maintaining tools, equipment, and ensuring a safe working environment.

Working independently and as part of a team.

Requirements:

Minimum 10 years' professional experience in tiling.

Strong track record of delivering high-quality tiling projects.

Ability to work effectively in a fast-paced environment.

Knowledge of health and safety standards.

Basic proficiency in English (reading and writing).

Chinese language skills will be considered a strong advantage, as it will help with serving our Chinese-background client base.

Benefits:

Opportunity to work on diverse and high-quality projects.

Supportive team environment.

Competitive salary based on experience.

Potential for long-term career development.
