### Job Description

At Cennox, we provide complete solutions for our client's installation project plans. We encourage you to be the best you can be whilst supporting and training you to ensure job satisfaction.

We have an excellent opportunity for someone to join our team as a driver and installer of ATMs and other hardware devices within our customer estates. You will support the day-to-day business carrying goods from our distribution centre all over Ireland but will be based in Dublin, Ballycoolin.

What you'll do:

Complete deliveries of heavy cash machines.

Assist with loading and unloading the delivery van.

Support the installation team with basic skilled tasks related to installs and removals.

Secure cargo safely for transit.

Maintain accurate delivery reports and logbooks.

Deliver excellent customer service when dealing with clients.

Drive independently for the majority of the workday as part of a 2-person crew.

What you'll have done:

Held a Class C or C1 driving licence for at least 2 years.

Maintained a clean driving record (no more than 3 penalty points).

Worked in a similar professional driving role with long periods of solo driving.

Gained experience handling and transporting heavy or bulky goods.

Ideally obtained Safe Pass and Manual Handling certificates (preferred but not required).

Who you are:

Over 25 years old (due to insurance requirements).

Physically capable of lifting up to 25kg with assistance.

Flexible with working hours, able to start between 6am and 8am depending on delivery schedules.

Detail-oriented with good accuracy in record-keeping.

A strong communicator with excellent customer service skills.

Able to work effectively as part of a 2-person crew and independently while driving.

What we offer:

Overtime available.

Access to PRSA scheme.

2x salary life assurance.

Refer a Friend scheme.

Optional healthcare plan, including retail discounts.

Employee Assistance Programme and other benefits.
