Job Description

Job Title: M&E Technician

Location: Dublin 1

Contract Type: Permanent, fulltime, 40 hours per week

Salary: €50,000 per annum Plus our Sodexo employee benefits package

About the Role:

We are seeking a skilled and motivated M&E Technician to join our Integrated Facilities Management team with Sodexo in Dublin 1. This role is vital in ensuring a safe, accessible, and welcoming environment for our client and staff. You will be part of a self-managed team of multi-skilled technicians, delivering high standards of technical support and maintenance services.

Key Responsibilities:

Perform maintenance and reactive tasks on a wide range of electrical building services and systems including HVAC, fire safety systems, and building controls.

Carry out planned preventative maintenance using the CMMS (Maximo) system.

Manage safety across all contracts and participate in cross-functional meetings.

Liaise with service desk and respond to technical queries in line with service level agreements.

Coordinate external contractors and support minor installation and improvement works.

Maintain accurate records for electrical testing and certifications.

Ensure compliance with health and safety procedures including risk assessments and permit-to-work

systems.

Skills and Experience Required:

3 to 5 years post-qualification experience in a facilities role.

Level 6 NQAI Certificate in Electrical Craft Practice or equivalent.

3rd level degree in Mechanical, Plumbing, or Building Services Engineering.

Strong knowledge of electrical building services and plant engineering.

Experience in a regulated environment and with CMMS systems.

Excellent PC skills and ability to deliver presentations.

Strong communication and relationship-building skills.

What We Offer:

Opportunity to work in a high-profile, professional environment.

Supportive team culture with a focus on safety and quality.

Career development opportunities within a global organization.
