Tower Crane & Hoist Maintenance Fitter

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Tower Crane & Hoist Maintenance Fitter are responsible for erecting, installing, and repairing both electrical and mechanical plant and equipment such as Tower Cranes and Hoists. They are responsible for fitting and assembling parts and sub-assemblies in the manufacturing of metal products. Additionally, maintenance fitters test and adjust engines to ensure they meet quality standards and function correctly.

=> Tasks required by this job include:

- Reviewing drawings and specifications to determine appropriate methods and sequence of operations for manufacturing tasks.
- Fitting and assembling parts and/or metal sub-assemblies with precision to maintain and repair equipment used in manufacturing, such as production machinery, assembly lines, and machine tools.
- Assembling prepared parts and sub-assemblies to maintain and repair vehicles and machinery used in manufacturing, ensuring they operate effectively.
- Examining and inspecting tower cranes and hoists as per the manufacturer's instructions as detailed in the crane manuals.
- Erecting, installing, repairing, and servicing plant and industrial machinery specific to manufacturing operations, including equipment used for production, packaging, and quality control processes, such as conveyors, filling machines, and inspections.

- **Sector:** construction
