Job Description

Facilities Supervisor – Day-to-Day Operations

We're looking for a Facilities Supervisor to help keep our client sites running smoothly. You'll oversee daily operations, ensuring everything is clean, safe, and well-maintained. Your role includes conducting regular safety inspections, addressing any issues promptly, and ensuring compliance with health and safety regulations. You'll supervise a team, and coordinate with site manager to maintain a safe environment. While you won't be responsible for creating training programs, you'll ensure all team members receive the necessary safety training required for their roles. Your proactive approach will help maintain a positive and efficient work environment.
