Mineral Exploration Drillers

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Priority Drilling Ltd. is seeking experienced Mineral Exploration Drillers for work on our sites in Ireland.

Responsibilities:

Proper placement of core, in core boxes provided, in a recognized manner acceptable to the client.

Responsible for the day-to-day operation of the drill rig, other on-site equipment required to support the operation, and the in-hole equipment & material.

Perform in-hole surveys, core orientation, sampling, hole labelling, etc. when and where requested by client.

Responsible for obtaining the best possible quality in any given ground condition, while achieving optimal production and maintaining a safe and efficient work environment.

Responsible for training Assistant Drillers in safe work methods and in the operation & basic maintenance of all on-site and in-hole equipment.

Requirements:

3+ years drilling experience, ideally in mineral exploration drilling

Valid permission to work in Ireland

Valid driving license

Priority Drilling is an equal opportunities employer and welcomes applications from suitably qualified candidates from all sections of the community. If you require reasonable accommodation in completing this application, interviewing, or otherwise participating in the recruitment process, please let us know.

Minimum Annual Remuneration: 55,000 euros per year, plus generous bonus scheme and pension.

Hours of work each week is 48, this is usually made up of 12 hour shifts over 4 days.
