## FM Working Supervisor: Electrical

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

About the Role:

We are looking for a proactive FM Working Supervisor (Electrical) to join our facilities management team at our Newbridge production site. This is a hands-on leadership role, responsible for maintaining and servicing a wide range of FM assets, with a strong focus on electrical systems, within an Integrated Facilities Management (IFM) environment.

Key Responsibilities:

Lead and manage planned, reactive, and corrective maintenance programmes.

Oversee compliance inspections across electrical systems, HVAC, boilers, water, and life safety equipment.

Manage CAFM (Maximo) system for work orders, scheduling, and defect resolution.

Supervise contractors and internal FM team, ensuring safe and high-quality service delivery.

Maintain accurate asset registers and support capital planning with the client.

Ensure all documentation (RAMS, permits, compliance) is completed and signed off.

Provide hands-on operational support including event setups, furniture moves, and site image reviews.

Build and maintain strong client relationships, representing the company professionally.

What we are looking for:

Strong electrical background with proven experience in building services or workplace environments.

Knowledge of FM systems including HVAC, lighting, life safety and control systems.

Previous supervisory or team leadership experience in an FM/technical role.

Experience managing contractors and ensuring statutory compliance.

IT proficiency, particularly Microsoft Office and CAFM systems (Maximo experience desirable).

Excellent communication, organisation, and customer service skills.

Self-motivated, safety-focused, and able to work independently.

Experience in food production or manufacturing environments (preferred).

Full Irish driving licence.

We also offer a range of perks, rewards and benefits for our colleagues and their families:

Unlimited access to an online platform offering wellbeing support

An extensive Employee Assistance Programme to help with everyday issues or life's larger problems, including legal and financial advice, support with work or personal issues impacting your wellbeing

Access to a 24hr virtual GP Service

Sodexo Discounts Scheme, offering great deals 24/7 across popular big-brand retailers

Save for your future by becoming a member of the Pension Plan

Opportunities to enable colleagues to grow and succeed throughout their career at Sodexo, including a variety of learning and development tools

Bike to Work Scheme to help colleagues to do their bit for the environment whilst keeping fit

Sodexo UK and Irelands enhanced benefits and leave policies
