## Full Time Dental Hygienist

### Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Duties include preventative oral care, providing teeth cleaning, patient education on hygiene, and therapeutic treatments like applying fissure sealants to prevent gum disease and tooth decay. Work will be under the prescription of the principle dentist and play a vital role in maintaining a patient's overall oral health through regular check-ups, tailored advice, and managing early signs of dental issues. Ensuring patients have regular visits made in advance for both hygiene and dentist.

Helping the dental team if gaps in treatments occur, in the role of audits and policies management or in any other dental team capacity.
