Workshop Cabinet Maker & Installer - Apprenticeship

Job Description

Key Responsibilities

- Assist in the fabrication of kitchen units and components.
- Learn to operate woodworking machinery and hand tools safely.
- Gain on-site experience by assisting with kitchen fitting and installations.
- Work alongside senior joiners both in the workshop and on customer projects.
- Maintain a clean, safe, and organized workspace.
- Support the team in delivering work to the highest quality standards.

Requirements

- No prior experience needed — full training provided.
- Interest in woodworking, cabinet making, or construction.
- Willingness to learn and take direction.
- Strong attention to detail and pride in your work.
- Ability to work well in a team and follow instructions.
- A full driver's licence is an advantage but not essential.

For more information please see [apprenticeship.ie](https://www.apprenticeship.ie)

Note: As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.
