All-Female Software Development Associate Apprenticeship CORK/DUBLIN OCTOBER 2025 - Apprenticeship

Job Description

Calling all females in Cork - FIT (Fastrack into Information Technology) have an exciting opportunity with a leading employer starting this October.

Join FIT's all-female Software Development Tech Apprenticeship starting late October 2025. This two-year Tech Apprenticeship programme is suitable for female learners who have completed second-level education or mature female learners seeking to retrain or upskill in the tech industry. Upon completion of the programme, learners will achieve a QQI Level 6 Award.

The Tech Apprenticeship programme combines on-the-job training with off-the-job learning, and FIT have an excellent opportunity with an employer based in County Cork. The training will be primarily online, and learners will be required to complete between 5-15 days in-person training in Dublin.

Tech Apprentices earn while they learn, receiving a salary of €312 per week in the first year, and €408 per week in the second year.

No previous experience is required. Students must be 18 years or older, and have completed the Irish Leaving Cert or have a Level 5 equivalent. Please visit www.fit.ie for more information on entry requirements.

Places are limited, and already filling up fast! Don't miss your opportunity to be part of the next generation of female leaders. Apply today via the link below.

For more information please see apprenticeship.ie

Note: As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.
