Cybersecurity Associate Apprenticeship

Job Description

FIT (Fastrack into Information Technology) have an exciting tech apprenticeship opportunity for all tech enthusiasts based in County Kerry.

The Cybersecurity Apprenticeship is a two-year, level 6 programme, set to start in Tralee, County Kerry this October.

The incredible opportunity combines on-the-job training with off-the-job learning, and tech apprentice get the opportunity to work with a leading company across the two years. Apprentices earn a salary from day one of €312 per week in year one and €408 per week in year 2.

No previous experience required. Candidates must be 18 years or older to apply, and must have completed the Irish Leaving Cert or have a Level-5 equivalent. Please see full entry requirements on the FIT website at www.fit.ie.

Places are extremely competitive and very limited. Don't miss out. Apply today via the link provided.

For more information please see apprenticeship.ie

Note: As part of the national apprenticeship system, there are formal requirements for approval of an employer's suitability to train apprentices and for registration of apprentices. Advertising on this site does not guarantee that Employers are approved to recruit and train for apprenticeship positions.
