Pipe Fitters

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

Pipe Fitters install pipe systems and maintain and repair PVC and plastic-based piping in major utilities, industrial, and construction settings and sites.

Tasks required by this job include:

- Examines drawings and specifications to determine layout of piping and drainage systems;
- Measures and cuts required lengths of PVC and other plastic piping, including pipes used for internal gravitational drainage when necessary, using hand tools or machine tools;
- Installs pipes for water supply, drainage, irrigation, and similar systems in industrial and construction settings, including terminals, sewerage systems, and other mains networks;
- Fits piping and drainage systems into position and joins sections by cementing, fusing, screwing, or by other appropriate methods;
- Tests pipework and drainage systems for leaks and makes necessary adjustments.

- **Sector:** construction
