Job Description

About Us

We are one of Dublin's most trusted plumbing contractors, providing domestic plumbing, maintenance and emergency plumbing services. Due to continued growth, we are hiring a full-time domestic maintenance Plumber to join our Maintenance & Emergency team.

The Role

Carry out domestic plumbing maintenance, repairs and emergency call-outs across Dublin

Diagnose and repair leaks, taps, cylinders, showers, pumps and heating system issues

Work independently and as part of a small team; manage daily schedule and job reports

Deliver high-quality workmanship and excellent customer service

What We Offer

Above industry pay rates

New Company van and fuel card (personal use permitted)

Ongoing training and career development

Optional business training: pricing jobs, customer service, digital marketing and basic website management

Clear progression path, including support for those who may wish to move toward self-employment

in future

Requirements

RGI registration (preferred but not essential)

Full, clean driving licence

Minimum 2 years' experience in domestic plumbing maintenance and repair

Strong fault-finding skills and professional communication

Ability to manage workload independently and maintain safe, tidy work practices

Nice to Have

Experience with emergency call-outs, cylinders, pumps, showers and heating controls

Current certs (Safe Pass, Manual Handling, etc.)
