### Job Description

KNC Construction Ltd is a trusted construction company in Ireland, delivering quality residential and commercial building projects. We are looking for an experienced Plumber to join our team and support a wide range of construction works, ensuring all plumbing systems are installed and maintained to the highest standards.

#### Key Responsibilities:

Interpret construction drawings and specifications to plan plumbing system layouts.

Measure, cut, bend, and install pipework (copper, steel, or plastic) using hand and power tools.

Install, connect, and test a variety of fixtures and systems, including water supply, drainage, heating, and sanitation.

Carry out testing, inspections, and adjustments to ensure systems operate safely and efficiently.

Work closely with other trades and site teams to achieve timely and high-quality project delivery.

Adhere to health and safety standards at all times on site.

#### Qualifications and Experience:

No formal academic requirements

Completion of a plumbing apprenticeship or equivalent experience is a plus.

Proven experience in installing and maintaining plumbing systems (2 years)

Ability to work independently and as part of a team.

Strong problem-solving skills and attention to detail.

#### Additional Requirements:

Good communication skills and a customer-focused attitude.
