Job Description

Aureol Global Connections is recruiting Production Technicians on behalf of Ecological Offsite Manufacturing Limited, based at Tullow Road, Grangeford Old, Carlow R93 VF61. The successful candidate will join a dynamic team responsible for producing high-quality timber frames safely and efficiently. Key responsibilities include operating machinery such as saws and drills, measuring and cutting timber, assembling frames to specification, and ensuring all work meets strict quality standards. The role also involves adhering to health and safety procedures, maintaining tools and equipment, and collaborating with team members and supervisors to achieve production targets. In addition, the Production Technician will support production engineers with the implementation of schedules and programmes, monitor and maintain production equipment, perform inspections and troubleshooting, and collect and analyse data to identify bottlenecks and improve processes. They will also contribute to efficiency and cost reduction initiatives, ensure compliance with safety, quality, and environmental standards, provide technical support during audits, and maintain accurate production and maintenance records. This full-time position is based on a 39-hour work week, with a minimum annual salary of €34,000. Interested applicants are invited to send their CVs to info@aureolglobalconnections.com.
