Assistant Professor in Computer Science (Software and Systems)

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit.Please review the Eligibility and requirements for an employment permit if you are unsure of your eligibility to apply for this vacancy.

Job Description

The School of Computer Science and Statistics at Trinity College Dublin is a collegiate, friendly, and research-intensive centre for academic study and research excellence. The School has been ranked #1 in Ireland, a top School in Europe, and top 100 Worldwide (QS Subject Rankings 2018, 2019, 2020, 2021, 2023).

The School of Computer Science and Statistics is seeking to appoint an Assistant Professor in Computer Science, who will join the Discipline of Software and Systems. The Assistant Professor will be a full faculty member, and as such will be expected to innovate in both research and teaching, to assist in the administration and mission of the School and contribute to the wider research community. The appointee should have the potential to develop into a leader in their particular field of research with a world-class research programme. The successful candidate will be expected to contribute to undergraduate and/or postgraduate teaching in the School, particularly in areas of Software and Systems.

Post status: Tenure Track - This position is Tenure Track position which is 5-years in the first instance, permanency is subject to satisfying the tenure requirements.

Hours of Post: 39 hours per week

Salary: This appointment will be made on the Assistant Professor Salary Scale (€42,925 - €102,556 per annum) at a point in line with current Government pay policy. monthly/weekly payscales. (tcd.ie)

How to apply:

Applicants should provide the following information:

1.   A comprehensive curriculum vitae, including a full list of publications.

2.   The names and contact details (i.e. address, e-mail, etc.) of three referees.

3.   A research plan summarising research to be carried out in the next two years and including

sources of funding – max 2 pages.

4.   A teaching statement summarising teaching experience and approach – max 2 pages.

PLEASE NOTE: Candidates who do not submit this additional information may not be considered for shortlisting

Candidates should note that the interview process for this appointment will include the delivery of a presentation to the School.

Any applications which are still in progress at the closing time on the specified closing date will be cancelled automatically by the system.

Please see the Job Description below for this position.
