SEO Client Manager

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

We are delighted to announce the role of SEO Client Manager is now open with Mediavest LTD. This role requires the management of search engine optimisation for some of Irelands leading brands including implementation, strategy and client servicing. Management of processes and excellent attention to detail is essential to ensure best in class delivery for Core's clients. This role also requires strong collaboration and communication with the wider team; the relevant client director(s) and associates.

The ideal candidate will have 1-2 years' experience in an SEO role either agency or in-house. The candidate must have experience with the following:

Technical SEO Auditing

Conduct keyword research to guide content teams

Developing and implementing effective SEO strategies.

Experience with Semrush / Moz / Ahrefs

Familiar with Google Analytics including GA4.

Understanding Google Search Console reports

Site Speed & Page Performance Analysis

Google My Business/ local SEO optimization

Knowledge of link acquisition techniques

Comfortable presenting SEO reports to clients and other stakeholders

€34,000 per annum for a fulltime permanent position. Reflecting a 39 hour work week

Hybrid Working with the Republic of Ireland

Access to a wealth of Learning and Development

Company culture that promotes work life balance

Access to Mental Health and Wellbeing programmes

Family focused benefits including paid maternity/paternity leave

Make a difference by joining committees involved in D&I, CSR Environmental, Social or Great Place to Work

- **Sector:** professional, scientific and technical activities
