Job Description

Cleaning Supervisor

Dublin 7 - Full time

Make a fresh start in a company that cares.

We're looking for someone who'll bring their sparkle to our prestigious corporate client site! At Sodexo we value you for being you. In this role you'll belong in a team where your attention to the little details, makes a big difference. Valued. Recognised. Rewarded. Spring clean your career with Sodexo!

What you'll do:

Direct the work of the Cleaning Operatives ensuring all areas are cleaned to the required standard.

Recruit, induct and development Cleaning Operatives. This will include conducting annual appraisals; conducting weekly team briefs and fortnightly 1:1 meetings as well as performance management.

Monitor cleaning budget and identify efficiency savings.

Responsible for commercial contract compliance through conducting monthly audits and providing monthly updates to the Soft Service Manager and client on performance.

Ensure compliance to health and safety legislation to develop a safety conscious culture.

Establish strong working relationship with client to raise Sodexo's profile and develop new business opportunities.

Enforce relevant statutory and company health and safety compliance on site, including maintenance of cleaning equipment.

Labour, consumables, chemicals and cleaning materials will be controlled in line with agreed budget each month.

Staff performance will be managed, regular feedback will be giving and output measured.

Staff will be fully trained and engaged.

Client expectations will be exceeded and 'Clients for Life' process will be implemented on site(s).

Cleaning standards will be delivered in line with contract, or exceeded.

Work processes will be improved continuously to ensure efficient service delivery

Robust and transparent accounting procedures will be maintained.

The working environment will be safe and staff will have the necessary equipment to carry out their duties environment

New business opportunities will be identified

There will be close support provided to Soft Service Manager with unit budget and forecast (as and when required).

Carry out weekly and monthly consumable stock takes

What you'll bring:

Previous experience of managing and leading a team

Ability to solved problems and implement appropriate

Previous experience of working in standards driven/compliance environment

Strong knowledge of health and safety and COSHH regulations

Ability to prioritise and deploy resources effectively

Previous experience of conducting audits and undertaking risk assessments
