Welder Fabricator - OMC Technologies

Application Details

In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

Job Description

OMC Technologies is seeking Welder Fabricators to join their growing workforce.

Job description:

Working as part of a team, following instructions issued to you by a Supervisor, ensuring that safety standards are always met, reading and understanding drawings, positioning, fitting and welding parts. Completion of other tasks as assigned to you by a Supervisor. Our Welder Fabricators are tasked to deliver high end products for some of Ireland's premier construction projects and require a high level of attention to detail, an ability to solve problems and work under time constraints with minimum supervision.

Requirements: 2-5 years' experience in the metal fabrication/site installation industry.

A current and valid Manual Handling training & Abrasive Wheels certificate. Certifications desired.

Salary: €34,000 per year

Weekly working hours: 39

Location: Limerick

- **Sector:** manufacturing

Career Level

- Experienced [Non-Managerial]
