In order to work in Ireland a non-EEA National, unless they are exempted, must hold a valid employment permit. Please review the [Eligibility and requirements for an employment permit](#) if you are unsure of your eligibility to apply for this vacancy.

### Job Description

Job Title: Industrial Painter

Employer: CRONIN BUCKLEY FABRICATION AND CONSTRUCTION LIMITED

Location: Killumney, Ovens, Co. Cork

Weekly Hours: 39 hours

Salary: €23.00 per hour

#### Job Description:

Cronin Buckley Ltd is seeking a skilled and reliable Industrial Painter to join our workshop team. The successful candidate will be responsible for preparing and applying industrial coatings to metal and structural components, ensuring high-quality finishes that meet safety and durability standards. This role is essential to maintaining the integrity and appearance of our manufactured products.

#### Key Responsibilities:

Prepare surfaces for painting by cleaning, sanding, and applying primers as needed

Apply industrial paints and coatings using spray guns, rollers, or brushes

Mix and match paint colors and materials according to specifications

Inspect finished surfaces for quality and consistency

Maintain painting equipment and ensure proper storage of materials

Follow health and safety procedures, including the use of PPE and ventilation systems

Collaborate with workshop supervisors to meet production deadlines

Perform touch-ups and rework as required

Maintain a clean and organized work area

#### Requirements:

Experience in industrial painting or a related field

Familiarity with various types of industrial coatings and application techniques

Ability to read and interpret technical drawings and specifications

Strong attention to detail and commitment to quality

Good physical stamina and ability to work in workshop conditions

Knowledge of workplace safety standards and procedures

Ability to work independently and as part of a team

Basic English communication skills

Desirable:

Experience working in a manufacturing or metal fabrication environment

Certification in industrial painting or surface preparation (not mandatory but advantageous)

- **Sector:** manufacturing

### **Career Level**

- Experienced [Non-Managerial]
