Job Title: HGV Artic Driver

Company: Wright Concrete Products

Location: Aclint, Carrickmacross, Co. Monaghan

Contract: Full-Time: Monday to Friday

Department: Precast

Reports To: Supervisor

About Wright Concrete Products

Wright Concrete Products is a leading manufacturer of high-quality precast concrete solutions for the construction and infrastructure sectors. With a commitment to innovation, safety, and customer satisfaction, we pride ourselves on delivering durable and reliable products to clients across the region.

Summary of Role:

This is more than just a driving role — you will be a key part of our site operations, delivering and helping to install precast concrete products across a range of projects.

Key Responsibilities:

Safely operate an articulated lorry to transport precast concrete units to construction sites

Assist with hooking on and off precast units during lifting operations (using chains, clutches, etc.)

Work closely with site supervisors, crane operators, and installers during offloading and installation

Carry out basic on-site assistance, including helping with alignment and minor manual handling tasks

Ensure all loads are securely strapped, balanced, and compliant with transport regulations

Carry out daily vehicle checks and report any defects or issues promptly

Maintain a clean, professional vehicle and represent the company in a respectful and courteous manner

Follow all relevant health & safety, road safety, and site procedures

Travel to various sites across Ireland & Northern Ireland — early starts and occasional overnight stays may be required

This job description in no way states or implies that these are the only duties to be performed. You will be expected to undertake any other tasks required to successfully carry out this function within the Company.

Preferred Qualifications / Skills / Experience:

Valid and in-date CE (Artic) licence

Up-to-date CPC card

Safe Pass (mandatory for working on construction sites in Ireland)

Experience in loading/unloading heavy goods, preferably using lifting equipment advantageous

Basic understanding of site safety and lifting operations

Willingness to assist with manual site work and work as part of the wider installation team

Good communication and teamwork skills

Punctual, dependable, and flexible with working hours

Valid Visa to work in the EU

Working Conditions:

Outdoor environment with exposure to weather, dust, and noise.

Physical role requiring lifting, standing, and operating equipment for extended periods.

Monday to Friday with occasional weekend work based on production needs.
